Dear *Arthur & Paul*

**Quality Audit of
The University of Hong Kong (HKU)**

Thank you for the Progress Report in response to the HKU Audit Report submitted by your University to the Quality Assurance Council (QAC) on 30 November 2017. QAC and the University Grants Committee (UGC) have endorsed the Progress Report. Both QAC and UGC consider HKU's Progress Report to be an exemplary one and are happy to see that the detailed Report has provided a rich account of the University's thorough and wide-ranging approach to the findings of the Audit Report. The University is encouraged to continue to strive for excellence.

The Progress Report of HKU will be published on the QAC website. Please ensure that the Progress Report is also made available on the HKU website, and to any future Audit Panel that conducts a review of the University in the next round of quality audits.

Thank you again for your support of the QAC quality audit exercise, and we look forward to your continued support.

Yours sincerely,
